

CV 380 Upright Vacuum: Dual motor vacuum with maximum power, superior maneuverability and quiet operation

Kärcher's CV 300 dual-motor upright vacuum is ergonomically designed to be simultaneously powerful, lightweight and easy to maneuver. Our 1,000 watt vacuum motor picks up more dirt in a single pass than comparable single-motor counterparts while our patented filtration system filters out particulates and allergens down to 0.3 microns. The CV family of commercial upright vacuums provide the power you need to clean in one of the lightest designs available on the market today.

Features:

- 15" working width
- Powerful two-motor vacuum
- Rubberized wheels for carpet or hard floor vacuuming
- Filter bag indicator light alerts the operator when air flow is restricted due to a full filter bag or blockage
- Detachable hose allows quick and easy detail vacuuming
- No tool brush removal
- Innovation, articulating head for superior maneuverability
- Ergonomic carrying handle for easy transport
- Lightweight – just 17 pounds with the cable included
