

**KM 90/60 R Bp Ride-On Sweeper:
Comfortable sweeper for medium to large
surface cleaning**

The compact KM 90/60 R ride-on unit is the comfortable alternative to a walk-behind machine. It provides ease-of-use features such as an adjustable seat, large wheels, and power steering. Two sweeping containers have a joint capacity of 13 gallons for longer periods of uninterrupted operation. The washable polyester filter is automatically cleaned after every use. These features make the KM 90/60 R ideal for medium to large areas – even in confined spaces.

Features:

- 24" sweeping path with side broom
- Automatic filter cleaning system cleans filter after every use
- EASY[®] operation means simple controls for operating the unit with easy-to-understand graphics
- Large capacity waste containers are easy to empty even when filled to capacity
- Pneumatic control of primary roller brush and side brush
- Adjustable seat for optimal comfort
- No tool filter and brush changing
