

SPIT SHINE

Ultra High Speed Kleen & Burnish

DESCRIPTION

A unique burnishing solution designed to clean, repair, protect and enhance floor finish gloss. This blend of penetrants, moisturizers, polishing agents and polymers provides maximum flexibility to floor finishes. Can be applied to floor coating through the use of an auto scrubber or by simply mopping onto the floor. Will produce exceptional results on any type of floor finish.

PRODUCT FEATURES / BENEFITS

- Enhances deep wet look gloss of finish / Maximum user appeal
- Cleans and polishes in one step / Saves labor costs
- Adds protection to wear layer of finish / Increases scuff and scratch resistance
- "Hardens" finish film / Enhanced wearability of floor finish
- Multipurpose formulation / Reduces inventory

DIRECTIONS FOR USE

A premium quality, thermal reactive solution that can be applied to any type of water based floor finish or sealer. May be used with an auto scrubber or by mopping solution onto the floor. Appropriate for any resilient or stone floor coated with a quality floor finish.

Auto-Scrub Method:

- A) Dust mop or sweep floor.
- B) Dilute product 2-4 ounces per gallon of cool water. Scrub floor with product and pick up solution.

- C) Allow floor to dry completely.
- D) Burnish floor using recommended pad.

Mop-On Method:

- A) Dust mop or sweep floor.
- B) Dilute product 1-2 ounces per gallon of cool water. Mop floor clean with product and pick up soil with tightly wrung out cleaning mop.
- C) Allow floor to dry completely.
- D) Burnish floor using recommended pad.

SPECIFICATIONS

Type..... Blended emulsion
 pH..... 8.8 ± 0.2
 Color..... Light blue, opaque liquid
 Odor Purif
 Film Appearance Clear
 Powdering None
 Flash Point None
 Slip Resistant Yes

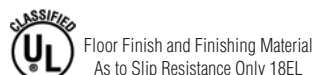

Freeze Thaw Stable Yes (3 cycles)
 Gloss Restoration..... Outstanding
 Leveling..... Excellent
 Black Mark Resistance..... Excellent
 Soil Resistance..... Superior
 Scuff Resistance..... Superior
 Recoatability..... Excellent
 Durability..... Excellent
 Shelf Life..... 1 year minimum in original unopened container
