

Commercial-Class Electric-Powered Pressure Washer

Direct-Drive, Cold Water Power for Commercial Applications

Cold Water | Electric Powered | Direct Drive

Liberty HD Cart

Our electric-powered machines are durable direct-drive units that can deliver cleaning volume of up to 3.5 GPM. Powered by heavy duty industrial-grade motors, these compact electric units feature tri-plunger oil bath Kärcher pumps, powder coated steel chassis, hose racks, detergent injection, insulated guns and wands, and tubed pneumatic tires. All models are ETL certified to UL and CSA safety standards.

Powerful and durable

- Rugged chassis made of 10- gauge steel and painted with an epoxy powder coat finish for all-weather protection.
- Industrial-duty Baldor motor with 36 ft. electrical cord and ground fault circuit interrupter (GFCI) for operator safety.
- Industrial-grade, tri-plunger, direct-drive Kärcher high pressure pump with forged brass head and ceramic pistons backed by a 7-year warranty.
- Water-resistant electrical box with two-position rotary on/off switch.
- Ceramic-coated piston.
- Insulated, stainless steel high-pressure wand with quick-couple connector for easy attachment of high-pressure nozzles.
- ETL certified to the rigid UL-1776 and CSA safety standards.

Smart features

- Thermal pump saver valve protects against hot- water damage by venting recirculated water.
- Five conveniently mounted, quick-couple spray nozzles for varying fan spray.
- 50' durable wire-braid hose rated for 3000 to 4500 PSI has hose guard for burst protection.

Outstanding mobility

- 10" tubed pneumatic tires for easy maneuvering on all terrains.
- Ergonomic high-pressure trigger gun for hours of fatigue-free cleaning.
- Integrated tilting aid at the rear.
- Convenient front and back chrome-plated handles to assist in lifting and moving the pressure washer.

Technical Data and Equipment

HD 2.0/10 Ed

HD 1.9/15 Ed

HD 2.8/10 Ed

HD 3.5/20 Ea

- Chrome handles
- Steel frame and chassis protected by powder coat finish
- Direct-drive Kärcher crankcase pump
- Available in 120V and 230V
- ETL certified to UL and CSA standards
