

Professional Pressure Washers
Liberty Series

Industrial-Duty, Gas/Diesel-Powered Pressure Washer Belt-Drive, Cage Design for Commercial Applications

Cold Water | Gas or Diesel Powered | Belt Drive

Liberty HD PB/DB Cage

Our roll cage models are the most powerful units in our cold water line, with cleaning power of up to 5000 PSI. Protected by a rugged powder coated roll cage built of 1-1/4" steel, the PB Cage units feature powerful Vanguard, Honda or Kohler engines, tri-plunger oil bath Kärcher pumps, 13-inch tubed pneumatic tires, and an extra rugged belt-drive assembly with notched V belts and cast iron pulleys. All single- and double-axle models are ETL safety certified.

Powerful and durable

- Safety thermal pump saver valve protects against hot-water damage by venting recirculated water.
- Rugged roll cage and chassis made of 1 1/4-inch steel and powder coated with an epoxy finish for all-weather protection.
- Reliable Honda, Vanguard or Lombardini engines with 2-year warranty; low-oil alert and silent-tone muffler.
- Industrial-grade, tri-plunger, oil-bath Kärcher high pressure pump with forged brass head and ceramic pistons; backed by 7-year warranty.
- Notched V-belts and cast-iron pulleys reduce belt slippage and provide longer pump life.
- 50' durable wire-braid hose rated for 3000 or 5000 PSI; with hose guard for burst protection
- Inlet strainer protects pump from debris in the water source.

Smart features

- Five conveniently mounted, quick-couple spray nozzles for varying fan spray.
- Totally enclosed, OSHA-compliant, high-impact polyethylene belt guard and easy-to-adjust belt tension device.
- Insulated, high-pressure trigger gun for hours of fatigue-free cleaning.

Outstanding mobility

- Heavy-duty lifting beam for ease in loading and transporting.
- 13" tubed pneumatic tires with steel rims for easy maneuvering on all terrains and to absorb vibration.
