

## The Ultra-Portable Cold Water Mini Skid

Powerful. Rugged. Versatile.

# Cold Water | Gas Powered | Direct Drive

## HD 2.5/27 P ST

This versatile cold water mini skid is designed to easily mount to trailers and UTVs, allowing you ultimate portability and power in a cold water unit. Combined durability of the Subaru EX17 engine and Kärcher crankcase pump with U-Seal technology provides you dependability in the toughest conditions. Both units include a 100' high pressure hose that connects to a Professional-Duty gun and wand.
